

# PIÙ SPAZIO

Il divano è spesso un elemento irrinunciabile nelle nostre case, ma se dovete arredare un salotto piccolo può essere una buona idea anche sostituirlo (almeno in parte) con delle poltroncine: sono più versatili e più facili da spostare nelle occasioni in cui dovete rivoluzionare lo spazio, ad esempio per una cena con molti ospiti.

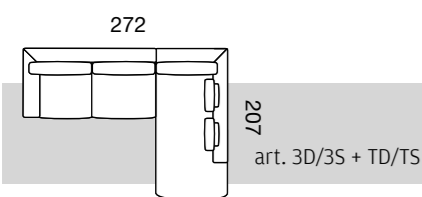

## MORE ROOM

The sofa is often an essential element in our homes, but if you have to decorate a small living room, it can be a good idea to replace it (at least in part) with armchairs: they are more versatile and easier to move on those occasions when you need to revolutionize the space, such as a dinner with many guests.

## PLUS D'ESPACE

Le canapé est souvent un élément essentiel dans nos maisons, mais si vous devez meubler un salon de petite taille, le remplacer par des fauteuils (au moins en partie) peut s'avérer une bonne idée : ils sont plus polyvalents et plus faciles à déplacer durant les occasions impliquant de révolutionner l'espace, par exemple lors d'un dîner avec de nombreux invités.

Il tempo che ti piace buttare, non è buttato.

*Le temps que vous aimez perdre n'est pas du temps perdu.*
